

How to put on, use, take off and dispose of a mask

1

Before putting on a mask, wash hands with alcohol-based hand sanitizer or soap and water

2

Cover mouth and nose with mask and make sure there are no gaps between your face and the mask.
Avoid touching the mask while using it; if you do, clean your hands with alcohol-based hand sanitizer or soap and water

3

Replace the mask with a new one as soon as it is damp and do not re-use single-use masks

4

To remove the mask: remove it from behind (do not touch the front of mask); discard immediately in a closed bin; wash hands with alcohol-based hand sanitizer or soap and water
